#### **4. Economically Disadvantaged Adult Populations**

The table below displays the number of economically disadvantaged adults ages 22 – 72 within each designated area and the share of those individuals in each local area and regions of Greater Nebraska.

Note: Poverty status was determined for all persons except institutionalized persons, persons in military group quarters, and persons in college dormitories.

Local Area	Number of Economically Disadvantaged Adults Ages 22-72	Percent of State	Percent of Region
Omaha	37,800	35.368%	
Lincoln	19,945	18.662%	
Greater Nebraska	49,131	45.970%	
Region I	6,359		12.94%
Region II	6,547		13.33%
Region III	13,739		27.96%
Region IV	8,783		17.88%
Region V	13,703		27.89%
Nebraska	106,876	100.000%	100.00%

**Data Source:**

#### **5. Unemployed Individuals in Areas of Concentrated Unemployment**

The table below displays the number of unemployed individuals in areas of concentrated unemployment in each local area and the share of those individuals in each local area and regions of Greater Nebraska.

The average unemployment rate in each county was compared with the average unemployment rate for the state. In counties with a higher unemployment rate than the state average, a count of individuals in excess of the state average was taken. In addition, where there are Areas of Substantial Unemployment in a county, the relative number of unemployed individuals who reside in the Area of Substantial Unemployment above the state average was considered and the larger of the excess number of individuals in the county or Area of Substantial Unemployment was taken.

<b>Local Area</b>	<b>Number of Unemployed Individuals in Areas of Concentrated Unemployment</b>	<b>Percent of State</b>	<b>Percent of Region</b>
Omaha	5,701	70.106%	
Lincoln	1,080	13.281%	
Greater Nebraska	1,351	16.613%
