Dear Stan,

On behalf of the Greater Nebraska Local Area, I am submitting a plan modification that was approved by the Greater Nebraska Workforce Development Board on May 24, 2018. The plan modification transfers \$200,000 of dislocated worker program funds to the adult program, with all funds coming from PY17 (estimated: \$42,489.27) /FY18 (estimated \$157,510.73). This request is based on enrollment and proposed obligations needs for the adult program. Based on historical trends, we will continue to maintain adequate funding for the dislocated worker program.

The effective date of this modification is requested as May 24, 2018. There are no deletions to the plan as a result of this modification.

Legal notice was published in eight local newspapers on May 11, 2018 requesting written public comments to be submitted by June 10, 2018. Should any disagreeing comments be received, those comments will be forwarded to your office and will be added to the local area plan modification.

Thank you,

Lisa Wilson, Chair
