Re: WARN ACT Notice

Dear Sir or Madame:

On behalf of Republic National Distributing Company, LLC (the “Company”), this letter provides notice pursuant to the Worker Adjustment and Retraining Notification Act of 1988, 29 U.S.C. § 2101 et seq., as amended, and any similar applicable state or local laws (collectively, the “WARN Act”). If this notice is not legally required, the Company is providing this notice to you voluntarily.

The Company has been exploring various strategic alternatives, including potential sale transactions involving certain of the Company’s markets and operations. The Company’s operations located at 8648 S 117th St, La Vista, NE 68128 (the “Facility”) are expected to be purchased by a third-party. The Company is providing this notice to you because employees employed at or reporting to the Facility may experience an employment loss. The contemplated purchaser or its affiliate may extend offers of employment to certain of the Company’s employees at or reporting to the Facility. In addition, certain corporate and other employees may continue to be employed by the Company, including to provide transition services. However, we are providing this notice to you at this time since there is no guarantee that the contemplated purchaser or its affiliate will provide employees with an offer of employment, and it is not yet known who will be needed to continue employment with the Company.

As a result of the contemplated transactions, the Company currently expects that it will cease its operations of the Facility. Accordingly, the Company expects to terminate the employment of employees employed at or reporting to the Facility on or within fourteen (14) following of July 17, 2026 (such date, the “Separation Date”). There are a total of 87 affected employees at the Facility. All such employees or, as applicable, the unions that represent them, have been provided WARN Act notices. As the Company expects to be ceasing operations at the Facility, all such terminations of employment with the Company

will be permanent, and affected employees will not have bumping rights for other positions with the Company.

The Company has on file a list of the job titles of positions expected to be terminated from the Company and the number of affected employees in each job classification. If you have any questions, please contact Camille Davis, Director, Human Resources, at 469-418-9026 or Camille.Davis@rndc-usa.com, or Adam Kutzner, HR Generalist, at 531-284-0595 or Adam.Kutzner@rndc-usa.com.

Very truly yours,

Camille Davis
Director, Human Resources
