How the Program Works

Using funds provided by the Workforce Innovation and Opportunity Act, the Nebraska Department of Labor connects youth ages 16-24 with employment and education opportunities throughout Nebraska. In addition to our Learn and Earn programs, youth have access to a number of additional resources including:

- Tutoring
- Educational Funding
- Leadership Development Opportunities
- Financial Literacy Education
- Entrepreneurial Skills Training
- Career Counseling
- Work Search Assistance

Work Experience

Through our Work Experience program, you can explore your career interests as you earn wages and training at a participating work site. The experience gained will develop job skills and a solid work history, as well as build your resume. It may even lead to a permanent job.
