Before Filing Your Claim

Gather the following information:

- Contact Information: complete home mailing address, including ZIP code, county you live in, telephone number, email address
- Social Security Number
- Driver's license number or State ID card number
- If you select direct deposit, your bank routing number and account number
- Employment history and related information.
- If self-employed, your most recent tax returns
- If a non-citizen: Documentation issued by US Citizenship and Immigration Services

To protect your privacy and ensure the accuracy of information provided to Nebraska Department of Labor, you should never have someone file a claim on your behalf.

When to File

File an initial claim the same week you are unemployed, furloughed, or working reduced hours.

Your unemployment insurance claim **DOES NOT** begin on the date your job ended or your hours were reduced. Your claim is effective the week you apply.

How to File

- File online at [Neworks.nebraska.gov](https://www.nworks.nebraska.gov).
- Register as an Individual to set up your account.
- Create an online resume or upload your existing resume. Unless you will be returning to work for your employer within 16 weeks of your last day worked, create an online resume or upload your existing resume.
- Create a user ID and password.
- Enter your work history for the last 18 months.
- Review the requirements.

Claim Processing

Processing Time

It takes around 21 days from the filing date to process a new Unemployment Insurance claim. Federal and State law require that a request for separation information be sent to each employer to verify work history, earnings and details regarding the separation.

Benefit Eligibility Information

You may also be asked to provide information to evaluate benefit eligibility. It is important that you respond on time when you're instructed to do so.

Waiting Week

The first eligible week is called your "waiting week." To get credit for the waiting week, you must file a weekly claim and meet all eligibility requirements for that week. The waiting week is never paid. However, you must serve a waiting week to be eligible for payments for later weeks. Neb. Rev. Stat. § 48-627 (4)

Appeals

NDOL issues determinations in writing each time a decision is made about your claim. If you disagree with a determination, file an appeal using the instructions on the determination.

Read all communication about your claim. Check your email, the NEworks Message Center, phone messages, and the mail for any claim-related updates. Make sure to keep your address current.

Requesting Weekly Payments

File for weekly benefits at [nworks.nebraska.gov](https://www.nworks.nebraska.gov) while your claim is processing. You have from Sunday to Friday to file your claim for the previous week. If you don't file your claim on time, your benefit payments may be affected.

Report your gross earnings each week. Gross earnings include wages, tips, salary, and other earnings before deductions and taxes. **Report earnings when they are earned. Do not wait until you are paid.** Misreporting wages is fraud and could result in penalties and criminal charges.

Complete and log all required work search contacts.

Enter as much information as possible in your work search log in case of an audit.
