**Re: David's Bridal, LLC**

To Whom it May Concern:

This is to advise you in accordance with the requirements of the federal Worker Adjustment and Retraining Notification Act (the "WARN Act") that David's Bridal, LLC (the "Company") is in the process of evaluating its strategic options, including a sale as a going concern, a sale of certain assets and intellectual property, or a potential winddown of some or all of the business and a resulting limited or Company-wide reduction in force and job elimination of employees within the State. To the extent that these layoffs constitute a covered event under the WARN Act or similar state or local laws, this letter is intended to fulfill the requirements imposed under such laws, but by providing this information, the Company does not admit that such laws apply or that notice is required.

The following information is provided under the WARN Act:

1. The employment sites at which the mass layoff and/or plant closing will likely occur are all of the Company's locations, which are listed on the attached Exhibit "A". The name, telephone number, and email of the Company's official to contact for further information is Lois Rosenbloom, (847) 984-2216, and [lrosenbloom@dbi.com](mailto:lrosenbloom@dbi.com). At this time, it is uncertain whether the Company will be ceasing operations entirely or the closure will be limited to certain locations.

2. The expected date of the plant closing and/or mass layoff is not yet known, but the Company expects the plant closing and/or mass layoff, and any associated employee terminations, to occur in accordance with the below schedule.

<b>Classification of Affected Employees</b>	<b>Anticipated Dates of Mass Layoff and/or Plant Closing and Corresponding Employee Terminations</b>
Corporate Employees	<ul style="list-style-type: none"><li>• Phase 1: April 14, 2023</li><li>• Phase 2: On a date between May 13, 2023 and May 27, 2023</li><li>• Phase 3: On a date between June 12, 2023 and August 11, 2023</li></ul>
Distribution Center Employees	On a date between June 12, 2023 and June 26, 2023

Field/Store Employees	On a date between June 12, 2023 and August 11, 2023
-----------------------	---

The timetable for closing is based on the best information available, although it is subject to change as the Company continues to evaluate its options. The layoffs are expected to be permanent, although new opportunities may become available depending on the outcome of the Company's sale efforts. Unfortunately, the Company was not able to provide early notice of the layoffs as it qualifies under the "faltering company" and "unforeseeable business circumstances" exceptions set forth in the WARN Act.

3. All of the Company's employees may be affected. The job titles of the positions to be affected and the number of affected employees in each classification are listed on the attached Exhibit "B".

4. The employees are not entitled to exercise any bumping rights. None of the employees are represented by a labor union or any other collective bargaining representative.

Very truly yours,

*Andrea Dauphinee*

Andrea Dauphinee
