H3: High Wage, Skill & Demand

H3 Occupations pay more than average, require at least a high school degree with extra training after graduation, and are projected to have a high number of openings in the next ten years.

Spotlight on Trends: H3 Occupations Over Time

"Comparing H3 occupations over time offers a look into how Nebraska's labor market has evolved throughout the past decade, and what changes the state's economy might undergo in the future." The June 2021 edition of Nebraska Workforce Trends features an analysis of similarities and differences between Nebraska's top H3 occupations today versus those of ten years ago.
